August 17, 2006

Dear High School Coaches, Travel Team Coaches, Parents, and Players:

I am pleased to announce the First Annual "NIKE Team Florida Fall Workout and Exposure Camp". The camp will be held in Clearwater, FL at the North Greenwood Center on September 30th and October 1st.

The camp will combine fundamental skill development, highly competitive games, and exposure rarely seen at an event of this kind! This event will be a must for the top players in the state in grades 9-12! Sept 30th is only for players in the 2007 and 2008 classes and other qualified players. Oct 1st is for the players in 2009 and 2010 classes.

The following recruiting directors have confirmed their attendance and will be at the event to provide coverage for their respective web sites:

- Dave Telep (National Scout for the Scout.com network)
- Rob Harrington (Recruiting Analyst for Prepstars.com)
- Jerry Meyer (Recruiting Analyst for Rivals.com)
- Vince Baldwin (NIKE's Director of Elite Youth Scouting)

Each of the above gentlemen are major players in the recruiting game and are some of the most respected talent evaluators in the nation. This camp is not only about exposure. In keeping with my belief that coaches are guardians of the game, my staff and I will conduct two fundamental training sessions for all players on both days. Each camper will be required to participate in the fundamental skill sessions.

- Each player will receive a set of NIKE practice gear (shorts and tank.)
- Each player will receive a catered lunch.
- Each player is guaranteed 3 games.

The camp is limited to 80 players per session. Only two games will be going on at one time, ensuring our scouts and I have ample opportunities to see you play. Keep in mind, my staff and I will be evaluating players for the upcoming travel team season! We plan to have teams at the 15u, 16u, and 17u levels.

The price of this one day event is ONLY \$95.

If you or someone you know would like to be considered for selection to this camp, please contact Tom Topping for a brochure. He can be reached at (727) 252-6429 or toppingtr@hotmail.com

Sincerely,

Tom Topping

Thomas Topping, Director
NIKE Team Florida
